*Aluminum pallets in the warehouse.*

*We meet with the purchase of the Slovenian manufacturer FerroCrtalic d.o.o., which fulfill all conditions of the pharmaceutical industry and the pallets are in accordance with GMP requirements.*

*Pallets were manufactured to our requirements (specific dimensions) and are of high quality, strong design and capacity as well as waterproof. Pallets have a validated process of washing with detergent for industrial washing in scrubbers.*

*Our further requirements will meet with products from the same manufacturer, because the products, way of doing business, and deadlines suit our requirements.*

*I allow the publication of my comments, quotes and company logo in your marketing materials.*
